PROFESSIONAL DEVELOPMENT

November 2014 – April 2015 – *Sabbatical Leave*, Proposed to revise chapters in the completed monograph, *Deconstructing 2Pac: The Lyrical Poetry of Tupac A. Shakur* (in progress), in order to make the book publishable, without violating copyright and printing lyrics. In 2009, the Robert W. Woodruff Library, in Atlanta, GA, acquired the Tupac Amaru Shakur Collection and made it available in September 2012. The majority of this sabbatical was spent on site copying the lyrics from Shakur's personal notebooks and papers, that have been digitized, but are only accessible on site. While present, I created a finding aid guide to the collection to aid in the inventory of lyrics contained therein.
